

Pyrethroid Meeting with MGK and Sumitomo
November 13, 2008, 10 AM - Noon
One Potomac Yard, Arlington, VA

Topics

- 1) A discussion about pyrethroid toxicity related to MGK and Sumitomo registrations (HED)
- 2) A discussion about use/usage information that may be needed for cumulative assessment

Background

MGK Company holds exclusive registrations for:

- D-phenothrin
- Cyphenothrin
- Prallethrin
- Imiprothrin

They also sell products with:

- Allethrins
- Tetramethrin

And they have products with (but would presumably be covered by suppliers on PWG):

- Bifenthrin
- Cypermethrin
- Permethrin
